

# Department of Humanities and Social Sciences Master of Human Resource Management

## 34 Years of Excellence in HRM

# Admission Notice 2017

The **Department of Humanities & Social Sciences, Indian Institute of Technology, Kharagpur** offers a two years **Masters Program in Human Resource Management (MHRM)**. The Dept. of HSS had been offering an MTech course in Human Resource Development since 1982. With the objective of meeting the demands of contemporary businesses, it restructured the course and has been offering it as **Master of Human Resource Management** since July 2010. This Programme is designed in keeping with the current industry standards and ensures that students get the right market exposure and exemplary return on time and resources spent in the 2 years of this course. It is backed by distinguished faculties from various schools and departments of IIT Kharagpur for a holistic learning experience, further strengthening the IIT Brand.
